

Invitation For Bids #001 (“IFB001”), Notice of Bid Selection

In accordance with the IFB001 and its Terms and Conditions, published on March 30, 2022 by Great Lakes Communication Corp (“Company”), and following the Bid Opening session held on April 14, 2022, this Notice of Bid Selection (“NBS”) serves as a public announcement of the Company’s decision for the provision of Good(s) and/or Service(s). This NBS will be made available on the Company’s website and will be distributed to all Bidders of the IFB001.

As specified by § 200.320 from Part 200 of the Uniform Administrative Requirements, in order for a sealed bidding process to be feasible, it is required for two or more responsible bidders to be willing and able to compete effectively for the business. Considering that only 1 (one) Bid Packet was received under IFB001, the Company is not able to proceed with Bid Selection and will close this procurement process with no awards.

Furthermore, the Company will publish a subsequent Invitation For Bids, allowing for more bidders to compete for the provision of Good(s) and/or Service(s), providing full and open competition and fulfilling the requirements imposed by the Uniform Administrative Requirements for the usage of federal funds and awards.
